

Drive-Thru Flu Clinics

Free flu shots are available to all Veterans enrolled in the VA Maryland Health Care System at the locations listed.

**Monday through Friday
Sept. 14 to Dec. 18, 2020**

Closed on all Federal holidays.

- No appointments are necessary.
- Please bring your VA Veterans Health Identification Card.
- Turn on your hazard lights when entering the clinic driveway.
- When it is your turn, stay in your car.
- Make sure you have your mask or face covering on.
- Simply roll down the window and roll up your sleeve.

Veterans can also receive a flu shot during a scheduled, onsite primary or specialty care clinic appointment throughout the VA Maryland Health Care System or at a community pharmacy or urgent care provider that is a part of the VA network.

For more information, visit www.maryland.va.gov or call the Flu Information Line at 410-605-7273.
